4

Color-Coded Air Purge System

Drain valves should be purged/pulled every trip. We affix color-coded lanyards to ours to make it easier for you to identify which is which.

5

Self-Leveling Air Suspension for Simple Setup

Electronic self-leveling air suspension provides an easy way to get your coach leveled quickly and efficiently for short-term stays.

6

Luxury Ride and Handling

Robust, purpose-built (up to 20,000 lbs.) independent front suspension with integrated steering gears provides the industry's best wheel cut.

1

Independent Tag Axle

- Outboard mounted air springs create a wider stance, for improved ride, handling and stability
- With advanced agility and control, passengers enjoy a more comfortable ride while the driver commands the road with confidence

2

A More Comfortable Ride

Spartan's chassis features race-inspired shocks and a custom independent front suspension specifically, tuned for motorhomes, to better absorb bumps and potholes. Trussed, torque-box structured bridge frame reduces camber, improving stability and increasing storage capacity.

3

Easy-Access On-Chassis Service Center

- Air Dryer
- Power Distribution Center
- Fuel Filter(s)
- Air Governor
- Chassis Batteries
- Master Chassis Battery Disconnect Switch

7

Campground-Friendly Cooling System

- Side-mounted for improved cooling
- Stacked to reduce debris between cores
- Engine-controlled fan speed for less noise

8

More Support for More Confidence

- Hundreds of authorized motorhome service centers across North America
- 24/7 customer support
- Complimentary roadside assistance through Coach-Net®, included in your chassis warranty

9

Getting You Safely to Each New Adventure

Spartan's Advanced Protection System® allows you to drive from adventure to adventure with confidence, with advanced technology that makes owning and operating a Class A RV safer.

The Only Chassis Made Exclusively for Motorhomes

We didn't take the easy route and modify a truck chassis for our partners at Foretravel. We knew they wanted an unmatched ride that was as smooth and quiet as it was invigorating and well appointed. So we built them a unique chassis from the ground up, which features an independent tag axle with outboard mounted air springs, for outstanding ride and handling found only in the world's best coaches.

Foretravel's ih-45 Class A coach rides on the TravelRide III chassis by Spartan. Designed, engineered and made in America with the finest components to create a premier foundation for the world's most demanding RV makers and owners.

The highest-quality materials provide reliability and dependability, along with nationwide service, and the best warranty in the business. Motorhomes riding on a Spartan chassis are built with care to stay on the road for a good long time.

- Chassis troubleshooting including:
 - Electrical
 - Air systems
 - Suspensions
 - Spartan aftermarket parts
- Chassis maintenance
- Weighing unit/tire pressure
- Spartan customer & product support/warranty information
- On-the-road drive time with a certified instructor
- Walk-around of coach with a qualified Spartan Chassis Technician
- Factory tour
- Deep discounts on parts & accessories

Industry-Best Warranty

Every Spartan chassis comes with the industry's best three-year/50,000-mile transferable warranty with complimentary roadside assistance from Coach-Net®. Our chassis also includes a 20-Year Transferable Warranty on Frame & Cross Members as well as a five-year/100,000-mile Cummins Engine warranty and an Allison Transmission five-year/200,000-mile warranty.

Welcome to the Spartan Family

Owning a Foretravel Motorcoach on a Spartan chassis automatically makes you a part of Spartan's extended family. From a broad range of owner-exclusive training opportunities to discounts on parts and accessories for your coach, being a part of the Spartan network means something more.

Spartan encourages membership in a broad range of organizations and groups that further extend the outreach of RVing and make the pastime fun and enjoyable for all who take to the road.

To that end, Spartan attends a number of rallies and shows across the country to reconnect with and service its owner community. Our expert staff of engineers, parts and service personnel are available to answer any questions you have about your Spartan chassis.
