

**NEVER SETTLE.**

It's your adventure.

# THE PREMIER FOUNDATION.

At the bottom of it all is the Spartan chassis, made from the finest materials and engineered to give your luxury coach a safe, smooth, and reliable ride. Spartan has the features and components that give you confidence from the road up.

**Note:** Some features available as optional content on specific OEM models (could vary by model year).

## The industry's best chassis built around safety and technology.

Our industry-leading Spartan Advanced Protection System (APS) provides Spartan chassis owners with comprehensive safety technology that helps you avoid collisions and keeps you alert to anything that could go wrong.

- Spartan Safe Haul™
- Collision Mitigation with Adaptive Cruise Control
- Electronic Stability Control
- Automatic Traction Control
- Tire Pressure Monitoring System
- Lane Departure Warning

## Everything you need, on clear display.

Spartan's Connected Coach™ gives you a complete and intuitive digital dashboard display that you can customize to your wants and needs. With helpful hints from the Tire Pressure Monitoring System and the Spartan Advanced Control System, it's like you're in the driver's seat of a luxury SUV.

*Spartan's Connected Coach™ digital dash system combines an intuitive interface with custom graphics and information, plus the convenience of keyless entry and push-button start technology.*

*Spartan's Digital Dash allows owners to quickly and easily check the status of their tires (on models equipped with TPMS), oil pressure, coolant, etc.*

*Lane departure warning system with sign and pedestrian recognition, low visibility indication, and other innovative features.*

Premium Features:

- Comfort Drive™ steering assist system with variable driver's effort control feature
- Independent front suspension
- Electronic suspension control system with self-leveling feature including air compressor for extended stays
- Automatic heated moisture ejectors with color-coded lanyards
- Side-mounted service center
- Connected Coach™ digital dash display
- Passive steer tag axle
- Heavy Haul trailer mode
- 3-stage engine compression brake
- 20,000 lb towing capacity
- Power tilt & telescoping steering column
- SMART steering wheel with leather details & phone controls
- Spartan Passive Keyless Start
- Suspended adjustable pedals
- Memory setting controls for seat, mirrors, pedals, and steering column for drivers 1 and 2
- Air disc brakes at all wheel positions
- Available CURT Spectrum™ trailer brake controller

Spartan Advanced Protection System® (APS)

- **Spartan Safe Haul™** The industry's only factory-chassis integrated air supply for tow vehicle brake systems.
- **Collision Mitigation with Adaptive Cruise Control** alerts the driver of potentially dangerous driving scenarios and adjusts speed to maintain a safe following distance.
- **Electronic Stability Control (ESC)** helps the driver maintain control of the coach in extreme steering maneuvers by automatically controlling individual brakes to help keep the coach moving in intended direction.
- **Automatic Traction Control (ATC)** helps the driver maintain traction under the drive axle tires in slippery conditions by automatically applying brakes on the wheel end that is slipping. This helps transfer power to the wheel end with more traction.
- **Tire Pressure Monitoring System (TPMS)** displays tire pressure and temperature for individual tires. The system will alert the driver if any tire pressure or temperature exceeds set thresholds. The system is expandable to monitor towed vehicles as well.
- **Lane Departure Warning** with sign and pedestrian recognition warns the driver with visual and audible alerts. The system will alert the driver in real time, so necessary corrections can be made.

# SPARTAN IS HERE TO MAKE EVERY ADVENTURE WORRY FREE.

## SAFE & SOUND: 24/7 service and support is just around the corner.

Your adventures on the road don't always happen from 9 a.m. to 5 p.m. Spartan Service and Support is just a phone call or click away to make traveling stress-free. A three-year complimentary roadside assistance plan through the Coach-Net® network includes access to over 15,000 service and repair facilities throughout the U.S. and Canada, and provides towing, fuel delivery, flat tire, jump start, lockout, winching, and RV mobile mechanic services, day or night (24/7/365).

You're never far from one of hundreds of Spartan Authorized Service Centers. Where you can find licensed and insured technicians who are required to complete regular training to keep current on all Spartan chassis.

In addition, the Spartan Connected Care® mobile app puts owners in touch with on-the-go access to:

- Quick links to service and support
- An integrated service center locator
- Diagnostic code search
- Key Spartan contact information
- Spartan's show and rally schedule
- Pre-trip inspection checklists
- Maintenance schedules
- Plus more!

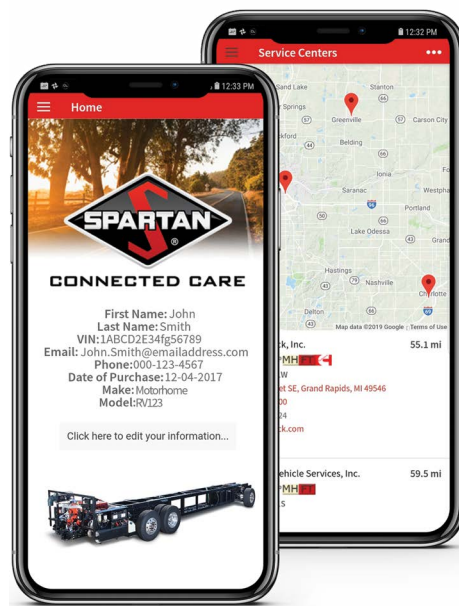

## Industry-Best Warranty

Every Spartan chassis built for Newmar comes with a five-year/75,000-mile transferable warranty. Our chassis also include a 20-year transferable warranty on frame & cross members as well as a five-year/100,000-mile Cummins Engine warranty and an Allison Transmission five-year/200,000-mile warranty. Roadside assistance from Coach Net® is complimentary for the first three years of ownership.

# ACADEMY

## KNOW THE ROAD: Spartan Owners Training Academy

Spartan offers owners an exclusive training program focusing on chassis care and maintenance.

Intimate class sizes, on-the-road driving instruction, and networking with other owners are just a few of the many highlights the Academy provides:

### Chassis troubleshooting including:

- Electrical
- Air systems
- Suspensions
- Chassis maintenance
- Weighing unit/tire pressure
- Spartan customer & product support/warranty information
- On-the-road drive time with a certified instructor
- Walk-around of coach with a qualified Spartan chassis technician
- Factory tour
- Discounts on parts & accessories

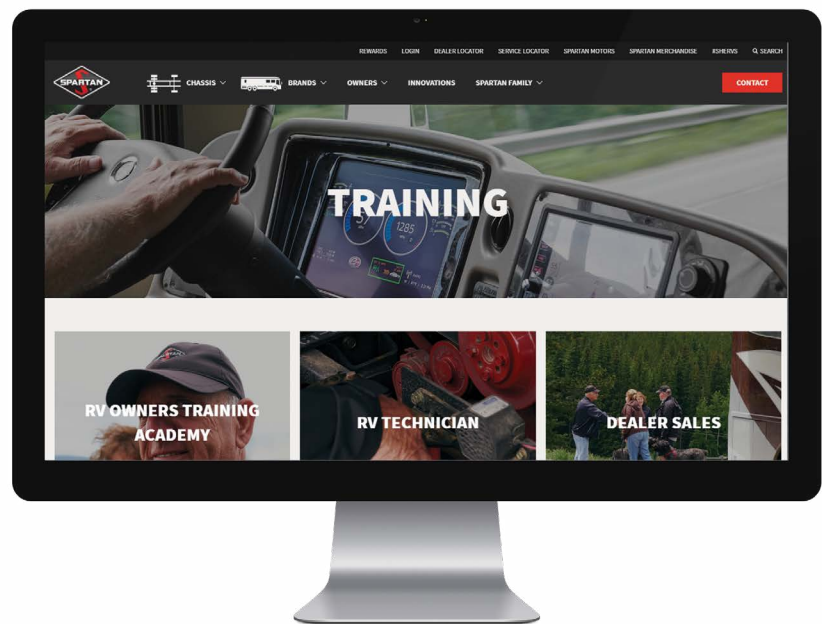

## Welcome to the Spartan Family

Owning a Newmar on a Spartan chassis automatically makes you a part of Spartan's extended family. From a broad range of owner-exclusive training opportunities to discounts on parts and accessories for your coach, being a part of the Spartan network means something more.

Spartan encourages membership in a broad range of organizations and groups that further extend the outreach of RVing and make the pastime fun and enjoyable for all who take to the road.

To that end, Spartan attends a number of rallies and shows across the country to reconnect with and service its owner community. Our expert staff of engineers and parts and service personnel, are available to answer any questions you have about your Spartan chassis.
