

Model Year 2024

EXPERIENCE THE DIFFERENCE.

Indulge in the exceptional with Spartan RV Chassis, the ride of choice for motorcoach owners who never settle for anything less than the very best.

We've refined luxury travel, blending decades of innovation and American-made quality to create a ride like no other. From advanced safety features to best-in-class convenience, every aspect of a Spartan RV Chassis is designed to let you unwind, savor the scenic route, and relish the journey with complete peace of mind.

Step into the elite circle of owners who choose the combined excellence of Entegra and Spartan RV Chassis. Discover remarkable performance, outstanding reliability, and ultimate durability with the Spartan RV Chassis, the foundation of your next great adventure.

LUXURY IN MOTION: ENTEGRA AND SPARTAN RV CHASSIS

For over a decade, Entegra and Spartan RV Chassis have combined strengths to redefine luxury, innovation, and performance for Class A diesel motorcoach owners.

We take pride in being the exclusive chassis provider for the luxury Class A diesel lineup, delivering a blend of engineering and performance that promises a smooth, comfortable, and powerful ride.

Experience the masterful engineering of our diesel pushers. Enjoy exceptional hill performance, quicker acceleration, and quieter journeys.

“I’ve only heard positive reviews about Spartan RV Chassis. Now that I own one, I can’t imagine choosing anything else. The reliability, build quality, and phenomenal customer service are unmatched. The ride is out of this world.”

Entegra Cornerstone Owner

LUXURY RIDE AND SUPERIOR HANDLING.

The ultimate driving experience for your Class A diesel motorcoach.

The Premier Drive™ system is our proprietary suspension system designed to ensure superior handling, stability, and ride comfort, even on challenging terrain.

Navigate with ease, thanks to our tight turn radius and expertly designed steering system, making maneuvering effortless even in tight spaces.

Paired with our custom-tuned shocks, you'll enjoy a smooth, comfortable ride no matter where the road takes you.

Say goodbye to sway and discomfort, and hello to a journey that's as comfortable as it is luxurious.

“The Spartan RV Chassis makes our
motorcoach ride like a dream.”

Entegra Aspire Owner

Luxury Ride and Superior Handling | Safety and Innovation | Quality and Durability | Service and Support | Extended Family

SAFETY AND INNOVATION.

Safety, Meet Luxury.

Safety and innovation go hand-in-hand with Spartan RV Chassis. Our newly optimized Connected Coach® experience makes owning and operating your motorcoach safer and easier with a suite of advanced interactive technologies designed to keep distractions at bay while driving.

Advanced Safety Features at your Fingertips.

Central to this experience is the Spartan RV Chassis Tri-Pod Steering Wheel - the epitome of luxury and convenience. Our innovative design positions all critical controls right at your fingertips for safer, stress-free journeys.

Stay connected to the road and maintain control of your travels, one mile at a time.

Features included in the Tri-Pod Steering wheel: windshield wiper controls, phone and media controls, steering assist functions, graphic instrument cluster navigation, cruise control, and more.

Simply Advanced.

Venture further into the world of advanced simplicity with our Custom Designed Digital Dash.

This state-of-the-art screen provides an expansive anti-glare display that seamlessly connects with the Tri-Pod Steering Wheel, receives direct alerts from the Spartan RV Chassis Advanced Protection System™, and allows the driver to pull the navigation, and Entegra's exclusive 360 camera display into the dash for optimal viewing.

Navigate your adventures with comfort, clarity, and simplicity, ensuring each journey is as extraordinary as the destination.

The digital dash integrates with the Tri-Pod Steering Wheel and is engineered to receive direct, clear notifications from the Spartan® RV Chassis Advanced Protection System™, a suite of comprehensive safety technology. Advanced Protection System features can include: Collision Mitigation, Adaptive Cruise Control, Electronic Stability Control, Automatic Traction Control, and Tire Pressure Monitoring System.

SAFETY AND INNOVATION.

Uncompromising Convenience.

Experience exceptional motorcoach convenience with our innovative Tilt Tank Drain Assist, new for Model Year 2024. Merging sanitation and simplicity, this feature streamlines waste disposal, placing hassle-free operation right at your fingertips.

Engage the Tilt Tank side tilt mode with a simple push of a button to swiftly and efficiently drain your grey and black water tanks. Once the draining cycle ends, another push of the button deactivates the side tilt mode, smoothly returning your motorcoach to its standard operation.

Every journey with Spartan RV Chassis is a testament to advanced safety, innovation, and convenience. Discover the difference when every detail is crafted to elevate your travel experience.

Tilt Tank Drain Assist is available on the MY24 Cornerstone, Anthem, and Aspire motorcoach models.

QUALITY AND DURABILITY.

The Foundation of Exceptional Adventures.

Engineered with precision, crafted from top-tier components, and proudly made in America, our chassis system defines industry excellence.

Our advanced frame rail and cross member system fortifies your motorcoach with enhanced stability and enduring durability for a smooth and reliable ride.

Our commitment to quality and performance equips you with the utmost confidence and peace of mind, whether you're tackling mountain terrain or cruising the coastal routes.

Start your extraordinary adventure with Spartan RV Chassis, where quality meets performance for an unforgettable journey.

RIDING UNDER ENTEGRA

A superior foundation, exclusively engineered for elite Class A diesel motorcoaches. The perfect balance of advanced engineering and design, our chassis delivers outstanding performance, handling, and stability for a truly comfortable journey.

Safe Haul® integrated vehicle braking system

The industry's original factory-chassis integrated air supply for tow vehicle supplemental brake systems

Side-mounted service center

We designed the on-chassis side mounted service center to ensure ease of maintenance, providing you quick access to the air dryer, power distribution center, fuel filter(s), air governor, chassis batteries, and master chassis battery disconnect switch.

Passive steer tag axle

Our advanced Passive Steer Tag Axle technology enhances the turn radius of your motorcoach – a best-in-class 17 degrees – delivering a smoother, softer feeling ride, and more confidence in tight-turning situations.

Torsion control stabilizer

V-shaped torsion control stabilizer prevents twist and provides a more stable ride. Spartan RV Chassis provides the best ride and handling in the Class A diesel motorcoach industry.

Tire pressure monitoring system

Part of our Spartan® RV Chassis Advanced Protection System™ (APS), the Tire Pressure Monitoring System displays tire pressure and temperature for individual tires. The system will alert the driver if any tire pressure or temperature exceeds set thresholds. You can also expand the system to monitor towed vehicles as well.

Durable, stable, and secure foundation.

The Spartan RV chassis has one of the thickest frames available in the industry for maximum motorcoach stability. Backed by our 20-year, unlimited mile, fully transferable frame rail and cross member warranty, we stand behind our foundation to provide you the ultimate peace of mind.

Automatic heated moisture ejectors with color-coded lanyards

Drain valves should be purged/pulled every trip. We affix color coded lanyards to our tanks to make them easier to identify

Spartan RV Chassis Advanced Protection System™

Industry leading protection systems provide owners with comprehensive safety technology that helps you mitigate collision and keep you alert to your surroundings.

E-Z STEER

E-Z Steer allows the driver to adjust the steering effort to their most comfortable level in various driving situations.

Connected coach®

The Connected Coach® suite enhances your motorcoach ownership experience with state-of-the-art technology. The digital dash receives direct alerts from the Spartan® RV Chassis Advanced Protection System™, while the Tri-Pod Steering Wheel offers easy-to-use features for a seamless user experience.

Purpose built 20,000 lbs independent front suspension with custom tuned shocks

Best-in-class ride and handling with Premier Drive™; our one-of-a kind proprietary suspension system is designed solely for luxury Class A diesel motorcoaches and dramatically enhances the agility and stability of your motorcoach.

SERVICE AND SUPPORT.

Ensure the ultimate in RV safety with a well-maintained coach.

At Spartan RV Chassis, we understand that regular maintenance is key to ensuring your safety and the longevity of your coach. That's why we make it as convenient and easy as possible, with expert service and support available whenever you need it. And with our industry-leading comprehensive warranty program, you can rest assured you have the ultimate protection for your motorcoach investment.

The industry's best, most comprehensive warranty:

- 3-year/50,000-mile transferable warranty
- 20-year transferable warranty on frame and cross members
- 5-year/100,000-mile Cummins Engine warranty
- 5-year/200,000-mile Allison Transmission warranty

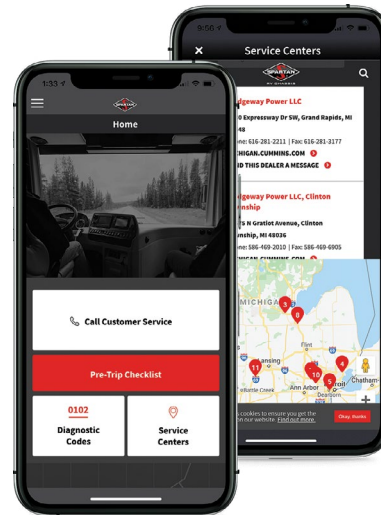

Always There For You.

Sudden issues can emerge anytime; that's why our Spartan RV Chassis service network is just a call or click away. From routine checkups to unexpected repairs, our expert technicians ensure you're back on the road safely. Our commitment includes:

- Access to hundreds of Spartan RV Chassis authorized service centers across North America
- RV chassis mobile mechanic services

EXTENDED FAMILY.

Supporting our owners every mile of every journey.

At Spartan RV Chassis, we're committed to supporting our owners every step of the way. That's why we offer a training program designed to provide expert instruction on chassis care and maintenance. Our comprehensive curriculum reviews everything from basic maintenance to on the road driving instruction, ensuring that you have the skills and knowledge you need to make the most of every adventure. With Spartan RV Chassis, you can enjoy a truly exceptional ownership experience, from start to finish.

Program Curriculum Includes:

- Chassis troubleshooting including:
 - Electrical
 - Air systems
 - Suspensions
 - Chassis maintenance
 - Weighing unit/tire pressure
- Spartan RV Chassis customer & product support/warranty information
- On-the-road drive time with a certified instructor
- Discounts on parts & accessories

Every Road. Every Adventure. Always Connected.

Signing up for the Spartan RV Chassis Connected Care® mobile app is easy!

Simply:

1. Go to your device's app store
2. Search for Spartan RV Connected Care
3. Download and enjoy

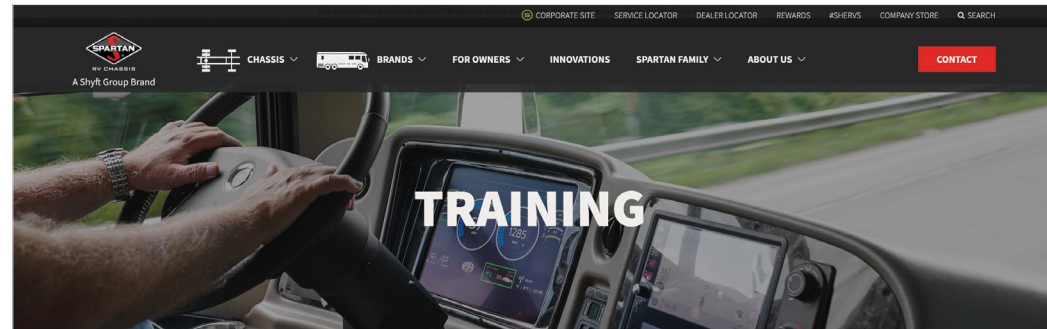

On-the-go resources include:

- Pre-trip inspection checklists
- Service center locations
- Diagnostic code references
- Owner training registration
- Maintenance schedules
- And much more!
