## ROADSIDE ASSISTANCE PLAN.

### **24/7 service is just around the corner.**

You are enrolled in a 24/7 roadside assistance plan for the first 12 months of your Spartan RV Chassis limited warranty period.\* The warranty period begins the day you purchase your new coach. Your chassis must be registered with Spartan RV Chassis for this service to be activated.

If your Spartan RV chassis is disabled during the first 12 months because of a non-conformance that is covered by the Spartan RV Chassis limited warranty, or in certain other situations, our roadside assistance provider will assist by providing the following services: towing, tire assistance, battery boosts, lockout service, delivery of fuel and emergency fluids, winch out service, service appointment assistance, RV technical assistance hotline,

emergency trip interruption, trip planning, concierge services, tire discounts, camping discounts, and mobile mechanic (where available).

To obtain roadside assistance, call Coach-Net® at the number provided in your Roadside Assistance Plan Welcome Packet.

In addition, you may also access important information by downloading the Spartan Connected Care® app on your mobile device.

*\*May differ by model year of chassis.*

From all of us at Spartan RV Chassis, we thank you for your loyalty and trust in our brand promise as the chassis of choice for luxury Class A diesel motorcoaches. We wish you many years of fond memories and sincerely hope your Spartan RV Chassis allows you to enjoy the journey as much as the destination.

**Happy RVing!**

# YOU'RE PART OF THE FAMILY.

Owning a motorcoach built on the chassis of choice for luxury travel places you in an exclusive community of motorcoach owners who never settle for anything less than the best.

From a broad range of owner-exclusive training opportunities to discounts on parts and accessories for your coach, we pride ourselves in supporting our owners every mile of every journey.

We attend a number of rallies and tradeshow across the country to reconnect with and service our owner community. While onsite, our expert staff of engineers and parts and services personnel are available to answer any questions you may have about chassis maintenance and aftermarket solutions.

We also developed the Spartan RV Chassis Academy, an immersive, comprehensive training program for Class A diesel motorcoach owners. This curriculum stands apart from all other RV training programs, with intimate class sizes, instruction from award-winning certified technicians and trainers, extensive maintenance instruction, on-the-road driving instruction, and a full review of the chassis sub-systems, such as electrical and air suspension.
